

Legend

-  Site
-  Survey Area

Phase 1 Habitats

-  Mixed woodland - plantation
-  Neutral grassland - semi-improved
-  Improved grassland
-  Bracken - continuous
-  Dry heath/acid grassland
-  Buildings
-  Bare ground
-  Other habitat
-  Mixed Parkland/scattered trees
-  Intact hedge - native species-rich
-  Intact hedge - species-poor
-  Defunct hedge - species-poor
-  Wall

Building bat potential

-  Low
-  Not assessed
